

# OUR PRIORITIES

## OUR PRIORITIES

### PEOPLE & COMMUNITY

① BUILD COMMUNITY TRUST & EMPOWER PEOPLE

I'm empowered to do the right thing for our community & organization.

### FINANCIAL MOMENTUM & PROCESS

② BUILD MOMENTUM BY FOCUSING ON LEAD INDICATORS

By focusing on the basics – Accountability, transparency, consultative & making decisions when it counts. Leading with our VALUES

### GOVERNANCE & RISK RADICALLY IMPROVE

③ Creating a transparent and accountable culture with clear defined processes and governance in place. RISK mitigation at the center of all we do

### This means we will have...

- People and teams running a growing, quality sustainable business that we are proud of
- Financial momentum that is achieved through focusing on what our community need's
- People that are curious, empowered, empathetic, and create shared clarity for the betterment of our community
- Have a culture of people wanting to learn and adapt
- Have well known respected community leaders

### This looks like...

- Utilising software/technology to empower community & leaders
- Having continued community consultation
- Embedding transformational changes (eg: defined roles etc)
- Quarterly audits of risk and governance
- Creating an environment where people & communities thrive (Kids Classes, ladies programs, increased membership, child care, shared community days & sporting events)
